

ALLY ENHANCED READER

A new alternative format · Dropping November 11, 2026

Grab your Walkman and tease your bangs: Blackboard Ally has a brand-new alternative format. (Not sure what a Walkman is? Find a DeLorean and head back to the golden age of pop culture, or do a quick Google search. We recommend the DeLorean.)

Word emphasis
Guides focus so the words that matter stand out

Reading ruler
Keeps students' place, line by line

Make it yours
Fonts, dark mode, and presets for every preference

Settings that stick
Preferences carry across files, so students set up once

Every student reads differently. Enhanced Reader gives them more autonomy and flexibility in how they access their course content.
