

# New Agent Listing Page

19th Feb 2026

This new listing page removes the guesswork of navigation. It organizes our growing library of Agents into a visual, intuitive hub making it significantly easier for users to discover, pin, and use the specific agents that add value to their workflow.

- **Instant Discoverability:** A visual "App Store" layout with smart categorization (Creative, Media, Strategy) helps users find the right agents immediately.
- **Personalized Shortcuts:** A dedicated "Favorites" tab and "Your Agents" view allow power users to pin their go-to agents for one-click access.
- **Curated Suggestions:** "Most Popular" and "Newly Released" sections surface trending agents, helping teams discover more.
